

Service to Cranbrook Effective • January 3, 2006

Health Connections is a partnership that provides you with transportation options and increases your access to non-emergency medical appointments.

To take advantage of the transit service, you must call to arrange your trip. Transit staff will let you know the exact time of pick up.

When scheduling medical appointments with a doctor, let the receptionist know that you will be using Health Connections. Although medical appointments have priority, everyone is eligible to use this service if space is available.
